NYMIR has distinguished itself by providing the very best in claims service when defending claims. When our members suffer a claim, NYMIR goes above and beyond to find coverage and aggressively defend all frivolous lawsuits. This philosophy and service is evidenced in a retention rate of 98% and a satisfied municipal membership of every type and size, from every corner of our State. NYMIR is an insurance company for local governments run by a governing board of local government officials, endorsed by the municipal associations, and responsive to the ever-changing needs of New York's municipalities.
